

A "Delicious" Rating for the 2008 Unleashed Chardonnay

UNOAKED CHARDONNAY

IT'S NOT A BRAND, IT'S A STYLE

Chardonnay Unleashed 2008 by Mutt Lynch, California

Rating: Delicious!

"You know what we don't like? Software that argues. Newspapers delivering news that we knew three days before it was delivered to our doorstep as news. A dead battery.

You know what we don't like? Bufo Marinus toads. Helicopters circling the neighborhood at two-thirty in the morning. Burnt toast.

You know what we don't like? eMail spam. Sales and marketing calls during dinner. And actual Spam, the "meat." Although to be fair, maybe it's never been properly presented.

With that rant out of the way (*come back anytime, we've got a million of 'em*), do you know what we do like? This wine. It's friendly, fresh, flavorful -- all the happy, positive *F* words.
